

SEVEN Alarm

An advanced 4G alarm that offers a long range pendant of up to 300 metres.

Alerts are received at Safety Link's 24 hour/7 days a week monitoring centre.

Staff will respond and contact the person through the open voice facility and send help when required.

About this product's features:

- Pendant range to alarm base of approx. 300 metres.
- NBN or telephone landline not required.
- Operates on the 4G Telstra and 4G Optus mobile networks.
- Automatically switches from 4G to 3G network if 4G network signal is poor.
- External aerial to increase mobile signal.
- Battery backup of 50 hours minimum.
- Daily Call function (optional).
- Waterproof pendant is supplied as either a neck chain or wrist band.
- The alarm is intended for persons at risk, typically being aged, frail or living alone.
