

Terms and Conditions

To ensure you receive the best possible personal emergency response service. The following terms apply to this legally binding agreement between you and Safety Link.

Terms used in this Agreement

1. In this Agreement:

(a) "Application Form" means one or more of the forms which you have signed (either in hardcopy, online or in a Safety Link App) setting out, amongst other things, your personal and medical details, next of kin, Contact Persons, installation prerequisites and account details.

(b) "Client Handbook" means the client handbook we give you, containing, amongst other things, directions on how to use the Service.

(c) "Contact Persons" means the persons you have nominated for us to call pursuant to Clause 8 or 9 explaining the service we provide.

(d) "Equipment" means the home and mobile monitoring units, pendants, accessories and other items of equipment associated with or used in connection with the Services (where applicable). This Equipment remains our property at all times, unless advised otherwise.

(e) "Fees" means the fees and charges for the Service and its establishment and the purchase or rental of the Equipment payable by you where applicable.

(f) "mPERS" means a mobile personal emergency response system such as the 'GO Trek' model device provided capable of being taken and used outside your home.

(g) "Network" means the telecommunication network utilised by the Equipment, including but not limited to 3G, 4G, 5G, Wi-Fi, NBN and satellite networks.

(h) "Pendant" means the alarm triggering device.

(i) "Safety Link" or "we", "us" or "our" means Ballarat Health Services, trading as Safety Link.

(j) "Schedule of Fees" means the schedule we have given you setting out the Fees.

(k) "Services" means the personal emergency alarm monitoring service provided by Safety Link, either through the use of a home monitoring unit or an mPERS and may mean one or both of the Services as determined by completion of your Application Forms.

(l) headings are used for convenience only. They do not affect the interpretation of the Agreement.

(m) Technician / representative/ contractor- contracted installer (licensed cabler) representing Safety Link.

Commencement of the Services

2. The Services will commence when:

(a) a completed and signed Application Form for either the home monitoring unit, the mPERS or both has been received by us, and either;

(b) our employee or representative has installed, programmed and tested the Equipment and provided you or your nominated representative with instructions on how to use the Equipment. If you are not there at the time of installation, your nominated representative will need to instruct you in the use of the Equipment; or

(c) you or your nominated representative has installed the Equipment and contacted Safety Link to ensure the Equipment is functioning correctly.

3. The actual Services provided by Safety Link shall be determined by you and the Application Forms that you sign and provide to us. For example, if you do submit an application for an mPERS, the obligations of Safety Link under these Terms and Conditions are limited to the extent that such obligations relating to the use and operation of the mPERS do not apply to you.

4. Please ensure you or your nominated representative is home at the pre-arranged installation time, otherwise you will have to pay the technician's fee for that visit.

Entering your home and testing

5. Our employees or representatives will need to enter your home on reasonable notice to install, repair, remove, service or update any of the Equipment. You now authorise them to do so.

Recording of Calls

6. Any phone calls between us (Safety Link) and you or anyone on your behalf may be listened to and recorded for security, quality or coaching purposes. When you or someone on your behalf phones us, that recording will occur automatically. You acknowledge this, and undertake now to advise anybody communicating with us on your behalf as to this fact.

What you have to do

7. You agree to:

(a) inform us immediately of any change (whether temporary or permanent) to:

(i) your address or phone number;

(ii) the address or phone number of a Contact Person;

(iii) your phone service provider or service options; or

(iv) any information you have provided in the Application Form.

(b) give us 14 days' notice if relocating to new premises and agree to pay all costs associated with reconnection of the Safety Link equipment situate at your premises.

(c) if the Equipment is not owned by you, return Safety Link's Equipment in good condition within 30 days of the ending of this Agreement. If you don't, we will bill you for its replacement. Also, in addition to other amounts you owe under this Agreement, you will be liable for fees relating to the period between the ending of this Agreement and the return of the Equipment.

(d) inform the Contact Persons prior to commencement of the Services that we may contact them to assist you at any time;

(e) pay the Fees when they are due;

(f) where applicable, provide us with all necessary banking details and authorisations for payment of the Fees;

(g) provide us with important information such as pacemakers and/or mobility constraints;

(h) have and maintain in your home a standard phone service or a substitute deemed suitable by Safety Link connected to the Network capable of making outgoing calls and, depending on whether your Services require it, connection to mains electricity;

(i) inform us if any remote wireless devices, cordless phones or other alarm systems are introduced to your home. (This is necessary because such devices may in some instances interfere with or prevent the proper operation of the Equipment);

(j) take reasonable care of the Equipment;

(k) It is your responsibility to test your pendant on the same day each month and understand that you are obligated by your agreement with Safety Link to do so. Safety Link provide you with a test date either by phone and/or in writing.

Should you forget to test your pendant on the nominated date, Safety Link will endeavour to contact you after the nominated date. It should be noted that failure to conduct your monthly test will not initiate an emergency response; it is designed to ensure the client remains familiar with the process of pushing the pendant.

(l) If you have a mPERS, it is your responsibility:

(i) to test its signal strength when entering into unfamiliar buildings or locations; and

(ii) to ensure the mPERS is fully charged prior to leaving your home.

(m) call us immediately if the Equipment does not appear to be operating properly, requires any repairs, is stolen or damaged;

(n) not repair, move or otherwise interfere with the Equipment (or let anyone else do so) unless authorised by us;

(o) use the Equipment and Services only as provided in the Client Handbook or as otherwise instructed by us and comply with any reasonable requests we make;

(p) inform us immediately if you no longer require the Services (see Clause 14(a)).

(q) use the Equipment and Services in an appropriate manner. Inappropriate use may result in the withdrawal of the Equipment and/or the Services.

(r) maintain a practical method of entry for emergency services personnel or contacts. This can be through the provision of a pin assigned key-lock safe or other suitable means. You understand that failure to do so might require forced entry and subsequent entry related damages to your property in emergency situations.

What we do as part of the Services

8. When you:

(a) activate the alarm button (using either the pendant or the mPERS); or

(b) trigger a fall detection or similar alert in the Equipment

(c) ask you why you activated the alarm; and

(d) assess the situation and, at your request (or if we can't reach you by phone or via the Equipment) notify a Contact Person; and

(e) if we cannot reach any of your Contact Persons, contact an emergency service.

(f) take any additional action we reasonably feel is required in the circumstances.

(g) where the Equipment requires repair or replacement, Safety Link will endeavour to rectify Equipment issues as soon as is practicable.

(h) Manufacturer's Warranty comes with equipment purchased upfront and applies to the following:

- 24 months for home based alarm unit

- 60 months for smoke detectors

- 12 months for all other equipment.

9. Depending on the Services being provided to you, Safety Link may provide a 'Daily Call' facility. You will be advised if this feature is available to you. If you don't activate the 'Daily Call' button by the time nominated in the Client Handbook:

(a) we will attempt to contact you by phone after the nominated time;

(b) if we cannot contact you, we will notify a Contact Person to check on your well being;

(c) if we cannot contact you or a Contact Person by the cut-off time communicated to you by Safety Link (but no later than 4pm on that day) we will notify an emergency service.

Fees and Charges

10. Our Fees are set out in the Schedule of Fees, available on the Safety Link website or by request. Where fees apply:

(a) you must pay the Fees either monthly, quarterly or annually in advance (as selected by you in the Application Form). The first payment is due from the service commencement date. **Fees remain applicable even when you are away from your residence.**

(b) we will send you an invoice which must be paid within 30 days of the date of the invoice.

(c) any additional equipment related to the Services purchased by you is non-refundable.

11. We may vary the Schedule of Fees on giving you one month's prior written notice. The amended Schedule of Fees will take effect from the next due payment following the end of that month.

12. You must pay the costs of:

(a) the call-out or use of an ambulance. (We recommend that you obtain ambulance cover);

(b) a suitable power point if one is not already in place which can be used exclusively for our equipment;

(c) our authorised representative relocating or repairing the phone line and/or the socket at any time including during installation.

(d) any additional goods or services not specifically included in this Agreement or the Application Form.

(e) costs associated with relocating the Equipment to new premises or to a different location within your existing premises.

(f) configuring an internet connection to work in unison with the alarm unit.

13. We may charge you for the repair or replacement of the Equipment (unless covered by the manufacturer's warranty) required due to:

(a) misuse or interference with the Equipment by any person other than our employee or representative; or

(b) the Equipment or any part of it being lost or stolen.

14. Safety Link will offer the incentive of a 10% discount for its ongoing fees associated with a rental and/or monitoring service. If an individual selects this option whether renting or purchasing a Home Based or Mobile alarm service. When this option is selected;

(a) Safety Link will apply a 10% discount on its scheduled fee for a period of 12 months,

(b) the 12 months service fee will be payable upfront at the time of commencement

(c) any cancellation or secession of the monitoring service prior to the completion of the 12 month period will result in the remaining period of the service and its associated fee's being forfeited by the client.

15. Safety Link will offer a purchase option for its Home Based and Mobile alarms. The purchase prices will be included in Safety Link's schedule of fees. The terms and conditions of the purchase option will include;

(a) A manufacturer's warranty against faulty or defective products.

(b) repair or replacement (if necessary) of faulty or defective alarm equipment including pendant by Safety Link during the warranty period,

(c) if the device warranty period has ended or as outlined within section 13 of this document, all costs including repair, postage and handling to be accepted by the client if the faulty equipment is repaired by Safety Link,

(d) the equipment remains the property of the buyer and cannot be re-sold or bought back to Safety Link.

(e) the dual mobile sim cards remain the property of Safety Link and will be decommissioned when once the monitoring service is terminated with Safety Link.

The Services End

16. This Agreement and the Services continue indefinitely until:

(a) 14 days after you notify us or we notify you of an intention to end the Agreement. Provided you are not in breach of this Agreement, specifically section 14 on any such termination we will refund any unused proportion of the Fees in excess of one month's Service Fee, excluding the 12 month upfront payment in section 14b.

(b) If you are unable to maintain a minimum of two Contact Persons, we may be unable to continue to provide the Service and may immediately terminate this Agreement by written notice to you.

17. If you take any action which damages the Equipment or jeopardises the Services, we may immediately terminate this Agreement by written notice to you and bill you for repairs to or replacement of the Equipment.

When the Services End

18. Even when this Agreement has ended, you must still pay any amounts which are still outstanding under it, and you are still liable to us with respect to any breach by you of this Agreement and refer to 6

(c) return the Equipment in good condition within 30 days of the ending of this Agreement. If you don't, we will bill you for its replacement. Also, in addition to other amounts you owe under this Agreement, you will be liable for fees relating to the period between the ending of this Agreement and the return of the Equipment.

Indemnity and Release

19. You indemnify and release us from all liabilities, losses, actions, proceedings, costs, expenses and damages claimed by any person (including you) with respect to loss or damage to property or personal injury or death arising directly or indirectly in connection with:

(a) use of any of the Equipment outside of Australia;

(b) the negligence of any person in connection with the Services, except us or our employees (but the indemnity still applies if that negligence relates to the service or checking of the Equipment);

(c) any other cause in connection with the Services beyond our control including, without limitation, any failure of the Services due to the failure or non-availability of:

(i) the phone line (where applicable);

(ii) the Network;

(iii) the equipment used by you to access the internet in your home including but not limited to modems, routers, switches, range extenders or gateways;

(iv) mains electricity supply,

(v) the Equipment; or

(vi) any work carried out, not authorised by us;

(d) the acts or omissions of any Contact Person. Please note, once we have contacted your Contact Person, we do not have any further responsibility; and

(e) specifically relating to the mPERS: (i) misuse or damage to the wireless battery charger; (ii) failure to keep the mPERS charged when leaving the house, noting that battery drain will occur quicker when the mPERS is in emergency mode; (iii) reliability of cellular service; (iv) the loss of signal which may occur when entering buildings, underground car parks or other areas out of range of cellular networks; and (v) the accuracy of the GPS coordinates provided to the Network. (vi) water damage to the Equipment beyond the reasonable specifications of the manufacturer; and (viii) fall detection capability.

Contractors

20. We may engage contractors to install or repair the Equipment.

Forces beyond our Control

21. We may withhold doing what we have to under this Agreement if prevented by riots, strikes, civil commotion or anything due to forces beyond our control. We will not be held liable under or be deemed in breach of this Agreement for any delays or failures in performance of this Agreement which results from circumstances beyond our reasonable control. Where possible we will promptly notify you in writing when such circumstances arise causing a delay or failure in performance and when they cease to do so.

Variation

22. Should any variation be made to this Agreement which affects you, or the service provided to you, we will notify you within 30 days. If you are not prepared to accept the variation, you may immediately withdraw from this Agreement.

Entire Agreement

23. This Agreement is the entire agreement between the parties. It supersedes all prior agreements, communications and representations between you and us relating to the Service.

Power of Attorney and Solicitor

24. You acknowledge that we have advised you to consult a solicitor before you sign this Agreement about its effect and the desirability of an Enduring Power of Attorney. You acknowledge that we cannot act on the instructions of any person who is not your attorney.

25. In the event that this Agreement is signed under Enduring Power of Attorney, each of the Attorneys executing this Agreement hereby warrant that, at the time of executing this Agreement that his her or their appointment is valid and each Attorney is not reasonably aware of a notice of revocation of the Enduring Power of Attorney.

PRIVACY POLICY

Safety Link's policy is to respect and protect the privacy of our clients.

We appreciate that the success of Safety Link is largely dependent upon a relationship of trust being established and maintained with past, current and prospective clients, carers, guardians and other individuals with whom we contact in providing the Services. Safety Link will therefore continue to collect and manage your personal information with a high degree of diligence and care. Safety Link aims to comply at all times with the privacy laws (incorporating the National Privacy Principles) that apply. If you have a comment, query or complaint regarding a privacy matter, we encourage you to discuss it with a Safety Link representative.

How we collect your personal information

Safety Link only collects information necessary to provide you with the Services. Personal information relating to yourself and your "Contact Persons" will be collected when making application to be a

Safety Link client and when you provide additional information to update your details. In some instances we may need to collect information about you from your carer, guardian or other health service providers (such as medical specialists). Phone calls in relation to providing the alarm service (both at home and external) will be recorded.

How we use your personal information

The information you provide will be used to assist in providing our Services to you. Your personal information will be used for the following purposes:

- To identify you as a Safety Link client
- To provide you with our Services
- To contact you every year to update your personal details
- To contact you to obtain feedback about the quality of the Services
- For funding purposes (if applicable)
- For accounting purposes (if applicable)

Consent

When you become a Safety Link client, it is our understanding that you consent to your personal information being collected, used and disclosed for the purpose of providing our Services. If at any time you provide the personal information of another person e.g. "Contact Persons" to us, then you must first ensure the person has read and understood this statement and separately consented to personal information being used and disclosed by us for the above purposes subject to our Privacy Policy. If you choose not to provide us with the personal information we request from you, we may not be able to provide you with one or more of our Services.

Safety Link is a division of Ballarat Health Services.

When we disclose your personal information

Safety Link may provide your personal information to other organisations that assist us in providing our service to you. Where organisations are contracted to Safety Link to provide our service to you, we include in the contract that the organisation will respect your privacy according to Safety Link's Privacy Policy. Safety Link will also disclose information to other organisations as required or authorised by law.

Storage and Security

Your information is stored securely by Safety Link, to protect your personal information from loss, misuse, unauthorised access, modification or disclosure. All Safety Link staff are required to maintain the confidentiality of your personal information.

Access and Accuracy

Safety Link takes reasonable steps to ensure personal information is accurate, complete, up-to-date and relevant to the functions performed. You have a right to access your personal information, however you may be required to put your request in writing. We shall acknowledge this request within 7 days and respond within 30 days.

Privacy complaints

Safety Link takes complaints and concerns regarding privacy seriously. You should express any privacy concerns you may have in writing. We will then attempt to resolve it in accordance with our resolution procedures. Please forward any privacy related complaints to:

Safety Link (a division of Ballarat Health Services)
16 Eastwood Street, Ballarat Central VIC 3350

Phone: 1800 813 617 Email: info@safetylink.org.au

Safety Link will acknowledge your complaint within 7 days and respond within 30 days.

You may also contact the Australian Government – Office of the Australian Information Commissioner (OAIC). Generally, the OAIC will require you to give them time to respond, before they will investigate.

Changes to the Privacy Policy

From time to time, it may be necessary for us to review our Privacy Policy and the information contained in this document. This privacy policy will be reviewed annually and any legislative changes will be updated as they occur. Any amendments to this policy will be notified to clients via notices on our website.

We reserve the right to amend our Privacy Policy and the information contained in this document at any time and to notify you by posting an updated version on our website.

Further information about privacy

You can find more information about privacy (including information about specific issues, answers to frequently asked questions and links to the 10 National Privacy Principles) on the Office of the Privacy Commissioner's website at www.privacy.gov.au

MOBILE ALARM (GO TREK) CONDITIONS OF USE

This section identifies requirements of use for Safety Link's mobile personal alarm.

Charging Mobile Alarm (GO Trek)

The GO Trek may not function, or may stop functioning during an alert for help if it does not have sufficient battery level. Safety Link strongly recommends recharging the GO Trek once or twice a month.

Critical Information for user:

- Make sure all parts of the charger are properly connected before use.
- Do not use if any parts of the charging system are damaged.
- Do not place anything metal on top of the charger.
- Do not cover the charger with any material.
- Do not place the charger in direct sunlight or charge in temperatures over 35°C.
- Be sure not to place the neck chain underneath GO Trek whilst charging.
- Place the charger on a flat surface.
- ONLY charge GO Trek with the supplied charger and do not use the charger with any other devices.

During charging, GO Trek can become warm to the touch. This is normal and will cool quickly once removed from the charger.

Care of Your Mobile Alarm (GO Trek)

Care of the GO Trek is important to maintain operation.

- Avoid directly spraying the pendant with perfume, aerosol, insect repellent, or similar chemicals.
- Clean GO Trek with mild detergents only and use a damp cloth.
- Please do not stick objects into either the microphone hole or speaker hole.

Travelling with Mobile Alarm (GO Trek)

If you are taking GO Trek on an aircraft, or returning the device by mail, the 'hibernation' mode must be enabled (hold down either button for 10 seconds).

All functions will be suspended until a button press or GO Trek is placed on the charger. Please remember to take all charging components with you when travelling.

Mobile Alarm (GO Trek) Coverage

GO Trek is intended for use within Australia only and will not operate overseas.

If you have a Pacemaker

If you have a pacemaker, it is important that the GO Trek should be kept a minimum of 25cm (10 inches) from the pacemaker at all times. The GO Trek should be worn as a key ring with the supplied split ring which can be attached to a belt clip or keys.

You should also keep the wireless charger and GO Trek at least 25cm away from your pacemaker during charging.

Product Restrictions

The Mobile Alarm (GO Trek) requires access to a Telstra 3G mobile network to communicate, and the availability of the Global Positioning System (GPS) satellite network to determine its location. GO Trek may not function correctly, or at all, in any of the following situations:

- Your GO Trek device will not be able to send an alert, or your location, if it is in an area with no coverage from the Telstra 3G mobile network or if there is a transmission failure.
- It will not work on any other network.
- GPS technology can be affected by certain atmospheric conditions, radio interference, buildings, or other forms of interference that can block GO Trek's connection to GPS satellites. Your location information may not be available if the GPS satellites are unavailable, or the GPS signal is blocked.
- Location information will also not be able to be displayed to Safety Link if the location mapping service used by Safety Link is unavailable.
- Communication between GO Trek and the alarm base unit may be affected by distance or radio frequency interference.

Mobile Alarm (GO Trek) Replacement Cost

Where the GO Trek is lost or damaged by the Client, a replacement cost will be charged to the Client or responsible party.

Disclaimer

To the maximum extent permitted by law, Safety Link will not be liable or responsible to you for any damage, loss or injury, you may suffer or incur in connection with any failure of your GO Trek device due to incorrect usage, and usage that is inconsistent with this document, including a failure to follow the various conditions set out in this document.

If you have any questions about the functions of the Mobile Alarm (GO Trek), please contact Safety Link on 1800 813 617 for more information.
