

Easy Press Pendant

Designed for clients with dexterity issues, Safety Link's Easy Press Pendant has a large contact area making it easier to press in case of an emergency.

Features:

- Pendant range to alarm base of approx. 300 metres
- Lightweight and water resistant
- Typical battery life of 6 years
- Hygienic surgical stainless-steel chain

When the Easy Press Pendant is pressed, the outer edge flashes, reassuring the user that their alert has been received by the alarm unit.

The Easy Press Pendant is water resistant and can be worn in the bath or shower and is compatible with Safety Link's Home Based Alarm (SEVEN).
